

ALGORITHM OF ENTERING

Russia for international students

1

Provide your faculty with the information necessary to issue an **official invitation** for Russian entry study visa.

Receive a **study visa** or a **letter** confirming that the faculty invites you (for visa-free countries). After that, buy **tickets to Moscow**.

2

3

Apply for a **health insurance policy** valid for the entire period of your stay in Russia.

If you need help from a **buddy**, apply for the student support program.

4

5

A week before your arrival, please provide the international office of your faculty with the **information on your arrival**.

Fill in the **migration card** that you will receive when entering Russia, get to the **city** and settle into the **dormitory**.

6

7

The next working day after arrival, please come to the international office of your faculty to start the procedure of **migration registration**.
